

2015 James O'Neil Estate Cabernet Sauvignon

The jewel of the Sullivan property, "James O'Neil" is our Reserve wine program and namesake of our estate's founder, James O'Neil Sullivan. This Estate Cabernet Sauvignon's density and structure will carry it for decades, yet its suppleness and softness invites you to enjoy it now.

Blackberry and cherry paired with minerality and Rutherford's earthy character jump from the glass. Big and powerful on the palate, the wine has a sense of luxury all the way around.
