

2020 Estate Rose

What a beautiful looking rose! Soft pink with a slight tinge of orange gives the wine a very delicate appearance, yet the clarity and brilliance of the wine adds a sense of polish and vibrancy. Immediately upon pouring the wine into the glass citrus notes of grapefruit, blood orange and a dash of lime fill the air. Juicy kiwi and strawberry add complexity and richness to this bright, fresh, quenching wine that is sure to be a crowd pleaser.
