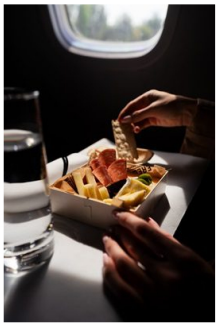
Aero (www.aero.com), the premier semi-private jet service, is pleased to announce the launch of its new scheduled service between Van Nuys (VNY) and Napa County Airport (APC). Starting September 20 and running through November 2024, travelers can now enjoy a seamless and luxurious travel experience to one of the world's most renowned wine and hospitality regions. Tickets on the flights start at $725 one way.

Flight times clock in at approximately one hour, and Aero jets land just fifteen minutes from downtown Napa. Designed to be quick, luxurious, and highly enjoyable, this regional service offers Angelenos a new way to experience the perfect fall weekend in wine country. Aero's accommodating luggage policy enables guests to fly with two checked bags and two cases of wine at no additional cost when they are flying from Napa. A new partnership with Solage, Auberge Resorts Collection and Stanly Ranch, Auberge Resorts Collection completes this elevated travel experience.

Flight Schedule – Starting September 20, 2024

Los Angeles (VNY) > Napa (APC)
Depart: Friday at 3:30pm
Arrive: Friday at 5:40pm

Napa (APC) > Los Angeles (VNY)
Depart: Sunday at 9:30am
Arrive: Sunday at 12:00pm
Experience the Best of Napa Valley



Napa Valley is globally celebrated for its prestigious wineries and picturesque landscapes. Autumn in wine country ushers in excitement and activity in the vineyards as winemakers pick and crush grapes against a backdrop of brilliant foliage. Guests on Aero's new route can immerse themselves in exclusive vineyard tours and award-winning tastings at Sullivan Rutherford Estate and Eisele Vineyard—two of Aero's partner wineries in Napa.

Ben Klein, CEO at Aero, shares, "Our community has expressed interest in visiting Napa, and we've worked hard to make their dream a reality, just in time for the harvest season. Landing next to downtown Napa just over an hour after departing Los Angeles on a scheduled flight is extremely rare. Typically, this is only possible by flying private. Aero's new service to wine country is just one example of our strategic approach to growth in 2024: we're listening to feedback from the market and responding with innovative solutions. Guests can now fly to difficult-to-reach premier leisure destinations during peak seasonal time frames."

New Partnership with Auberge Resorts Collection, Napa Valley

In partnership with Stanly Ranch, Auberge Resorts Collection and Solage, Auberge Resorts Collection, guests flying Aero can access unique travel packages that encompass hotel accommodations, flights, and activities. These iconic Napa resorts showcase stunning landscapes and lodging, gourmet culinary experiences and alluring spa offerings like soothing geothermal pools and a multi-level sauna. "We're excited to develop a new market of luxury leisure travelers from the Los Angeles region to Napa Valley in partnership with Aero, and look forward to welcoming them to our stand-out properties," said Laura McIver, General Manager of Stanly Ranch, Solage and Stanly Ranch are the latest resorts to join Aero's exclusive hotel partners alongside the Waldorf Astoria Los Cabos Pedregal and Auberge's Hotel Jerome in Aspen. Liz Mazzei, Head of Marketing at Aero, adds, "Our partnership with Auberge Resorts Collection lets guests enjoy the breathtaking change of season from the most high-end accommodations wine country has to offer paired with an unforgettable flight experience. This is the ultimate fall weekend getaway from Los Angeles."
