An Evening of Art & Expression at Sullivan Rutherford Estate

Jun 13 at 5:30PM - 7:30PM

Sullivan Rutherford Estate
1090 Galleron Road
St. Helena

$175.00

Join us for an intimate evening at Sullivan with artist Jorge Obregón and Winemaker Jeff Cole, for a first look at Jorge's new collection, cellar selections, canapés, and a dialogue on art and wine.

Please join us for an intimate evening celebrating the shared artistry of winemaking and painting, as Sullivan Rutherford Estate welcomes acclaimed Mexican artist Jorge Obregón alongside Winemaker Jeff Cole for an intimate artist-in-residence reception. This exclusive gathering offers a first look at Jorge's commissioned collection—works inspired by his time at the estate—and the rare opportunity to engage directly with both Cole and Obregón. Together, they will lead a spirited conversation on the parallels between their crafts: the role of place, the pursuit of beauty, and the creative process behind every bottle and brushstroke. Hosted at the historic residence designed by John Marsh Davis, guests will have the opportunity to taste through Sullivan's cellar selections paired with passed canapés.
